

Bone Griffons Destroyers

The Phantom class Destroyer is a horrifying new weapon in the Bone Griffons' arsenal. They are built for but one purpose: crushing enemy ships with plague-infected missiles, fired from a massive catapult whose arm is nearly as long as the ship itself. 3 models per blister. Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Our models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
