Circle Orboros: Tharn Ravagers PLASTIC Unit (6) BOX

Contains six un assembled and unpainted plastic models.

Channeling the savage power of the Devourer Wurm, the Tharn ravagers transform into ravenous beast-men in times of war. After hacking down foes with wicked axes, they tear open the chests of their fallen enemies to feast upon their still-beating hearts. This barbaric ritual fuels a berserk frenzy that few men have lived to describe.
