Description

This book dicusses how the various cultures of Conan's age look at the noble, scholar and soldier classes. Giving advice on those skills and feats that emphasise each culture's iconic interpretations of those three classes, revealing the secrets of Hyboria's Finest. Including information, tips and rules, including new regional features and social abilities spells and arcane items, and a plethora of new combat styles and manoeuvres, this book lets you create entirely individual nobles, scholars and soldiers.
