Description

Digital Web is a sourcebook for Mage: the Ascension, covering the vast expanse of the VR Net. This book includes:

-New rules for the virtual reality Realms, including magick ratings, formatting, combat and "whiteout", the systems crash caused by Paradox.

-The Spy's Demise, a BBS speakeasy where Sleepers and Cybernauts chat, conspire and plan.

-Two ready-to-run tales set in the Net Realms, plus crossover suggestions for Werewolf and Vampire.
