Description

This sourcebook for the D&D game is intended for mature audiences and provides a Dungeon Master with unflinching access to subject matter that will broaden any campaign. Included is a detailed look at the nature of evil and the complex challenge of confronting the many dilemmas found within it's deepest shadows. Along with wicked spells, wondrous items, and artifacts, Book of Vile Darkness also provides descriptions and statistics for a host of abominable monsters, archdevils, and demon princes to pit against the noblest of heroes.
