FSA Pioneer Ironclad

As much a mobile, fortified artillery piece as a tank, the Pioneer Battle Ironclad provides line-shattering firepower to the forces of the Federated States. The ground shaking retort of the Pioneer's 8" Automatic Howitzer accompanies the unending rain of destruction, hammering the enemy from unprecedented ranges. Once the tank has manoeuvred into a commanding position, no enemy - infantry or ironclad - will be safe from this unrelenting barrage. This allows the rest of the force to close on the foe under cover of its intense fire and deliver the killing blow to the stricken enemy. 1 x Pioneer Ironclad included.
