Description
Legion: Extreme Carnivean

Contains one unassembled unpainted metal model.

The Privateer Press Extreme models embody the full-throttle attitude of WARMACHINE and HORDES cranked up another notch. These models represent the ultimate creative vision for the Iron Kingdoms' most iconic warjacks and warbeasts—taken to the extreme! Designed for the display case, these models are also legal for use in WARMACHINE and HORDES games.

This stunning model rendition of the Carnivean displays the ferocious might of Everblight's dragonspawn and will take a place of pride among your Legion forces.
