Description
Legion: Thagrosh the Messiah

Contains one unassembled and unpainted metal model.

Thagrosh is no longer ogrun. He has become Everblight's true avatar. It is as though the dragon lurks just behind the top layer of his thoughts, a vast alien presence looking through his eyes and speaking with his tongue. Similarly, the draconic temper increasingly dominates Thagrosh's mood. This fury is a brand of searing iron that ignites the pure dragon blood pumping through his veins, pushing him to crush and humiliate each foe he faces.
