Description

"Who are we? Don't ask for secrets if you cannot keep them. Do you wish to take this step? Good. We are the secret police of the Awakened, charged with our task by the kings of lost Atlantis. We watch and judge the Gifted for any sign of malpractice of their Art, for we knew of old that the Abyssal taint of miscast spells risks the very universe. To remain pure, magic must be kept secret - and we make sure it stays that way."

-- Coatlicue, famulus Susceptor of the order
