Description
Orboros: Grayle the Farstrider

Contains one unassembled and unpainted metal model.

A powerful scion of a family with deep roots in the ancient lines of the Wolves of Orboros, Grayle the Farstrider was trained as a Wolf until he experienced the wilding. As a druid, he has proven his worth and skill as a trusted strike force leader and an unrelenting warrior who simply does not know failure. In battle Grayle embodies the wolf and moves from target to target with vicious speed and efficiency like a predator in human form whose blades strike with the feral precision of a hunting beast.
