Description

Orboros: Tharn Ravager Chieftain UA

Contains one unassembled and unpainted metal model.

Tharn ravagers are among the mightiest warriors serving the Circle Orboros, and those who lead them must stand out as unparalleled slayers of men and beasts. The Tharn Ravager Chieftain leads his blood-drenched warriors in a howling tide of savagery, moving them upfield with terrible swiftness and adding brutal strength to their axes.
