Description
Skorne: Molik Karn

Contains one unassembled and unpainted model.

Molik Karn has borne the paingivers' lash and learned to obey, but his will has never been broken. His service to Makeda extends beyond mere slavery; he has some deeper loyalty to her and brings the full force of his deadly strength and barbaric nature to fight at her side. He truly is a cyclops lord—a giant of his species, cunning despite his brutishness.
