Description
Skorne: Venator Reiver Officer and Standard

Contains two unassembled and unpainted metal models.

Having risen to prominence in the lowest of warrior castes, the venator reiver officer yearns to prove his caste as fanatically devoted to the Skorne cause as any other. When leading units of their brethren into battle, the venator reiver officer and standard bearer keep their venators in tight formation, increasing the range and lethality of their gas-driven weapons. Such units can shred an enemy warbeast with as little as a single volley.
