Description

"I don't give a damn if you think you have some sort of right to this place. I don't care what the Shadow looked like before you got here, and I don't care if you're the best thing to happen to this land since the Fall. The only thing that matters is if you can stop me and mine from taking this place from you. If you can do that, then it's yours by right. If you can't, you had no right trying to call it your own in the first place."

-- Jack Timber, Blood Talon
