Description

Born in Splendor

Sophisticated, decadent, cruel and fabulously wealthy, the Dragon-Blooded are spiritually akin to the Elemental Dragons themselves and are Exalted above the mass of humanity. Through their bloodlines, these queens and princes of Creation control all of the world that's worth owning. Yet dark times are at hand for the Realm, and the kingdom teeters on the brink of civil war. Will the golden empire survive its first succession crisis? Born to Rule

The first in a series of hardbacks making the other types of Exalted available for play. Exalted: The Dragon-Blooded includes extensive detail on the world and society of the Terrestrial Exalted, as well as full rules for creating and playing Dragon-Blooded characters. Inside is everything needed to portray these warlike aristocrats, from guides to their manners to systems for the supernatural martial arts practiced by the Immaculate Order.
