The Ralgard War Balloon

The Jarak Class War Balloon is an imposing sight, looming over the battlefield like an eye of judgment in the sky. With a full 360 degrees of fire, and by making use of the manoeuvrability of its waterborne tugs, it can fully command a flank or take control of the centre of the battlefield. 1 model per blister. Please note that Uncharted Seas models do not ship with stat cards or any other printed materials. Updated rules and statistics will be available from the 'Downloads' section of the Spartan Games website. Models are made from either resin, pewter, or a combination of the two. Models supplied unpainted and unassembled. Some preparation work may be needed before assembly. We recommend that resin models are washed before painting.
