Description

Where the Shadows Grow Long

We live our days completely ignorant of the true terrors lurking around us. Only rarely do our experiences draw back the veil of shadows and reveal the horror in our midst. These glimpses into the supernatural can cause us to retreat into comforting lies - 'There are no such things as monsters' - or stir our morbid curiosity. Only a few, however, can overcome their fear and dare to look deeper.

Abandon Hope All Who Enter

The World of Darkness Rulebook introduces a version of our contemporary world where the supernatural is real. Players join to tell tales of mystery and horror, where theme, mood and plot are more important to a character's experiences than his weapons or equipment. Inside are rules for character creation, task resolution, combat and any activity your character attempts as he delves into the shadows. Hardcover. Page Count: 224
