Description

Everyone's favorite madman with a wheelbarrow full of dynamite. Willie is the M&SU's demolition "specialist". I know words are a visual medium, but please take not of the quotes around specialist. A member of both the M&SU, the soulstone division, and the foundry, or the Rail Way division, Willie can see time with a lot of different bosses: Ramos, Ironsides, Kaeris, or Mei Feng can all call on the aid of this... misunderstood explosive engineer.
